REACH

October 2019

Subject: REACH – EC directive 1907/2006

Dear madam, sir,

Being the European market leader in the field of Bag-on-Valve aerosols, BiB Production & Packaging has given the REACH requirements a high priority. We will take all required steps to comply with this regulation.

The ECHA has issued a candidate list of substances of high concern (SVHC).

BiB Production & Packaging can confirm that its products do not contain any of the products that are on the candidate list of SVHC (according to version dated 27.06.2018).

BiB Production & Packaging will constantly monitor the quality and safety of its raw materials and reassures the high quality standard of its products.
